示例

为防止平信邮路不畅造成丢件, 从现在开始, 在寄出实体QSL卡片后, 您可以向by2hit@126.com发送一封额外的确认邮件。

若要发送, 请在主题处填写“呼号QSL确认”, 正文填写详细信息, 并**请至少添加一张您投递实体卡片时的照片**作为附件。若您的确认邮件符合上述规则, 在收到邮件后, 即使我们未能收到您的卡片, 也将正常向您邮寄QSL卡。

注意, 电子邮件只能作为额外确认实体卡片寄出的方法, **暂不接受仅通过邮件交换的电子QSL**。对您造成的不便, 敬请谅解。

Example

To reduce the risk of QSL cards being lost due to unreliable mail, you may send an additional confirmation email to by2hit@126.com after mailing your physical QSL card.

The email subject should be "Callsign QSL Confirmation". In the message body, please include detailed information and attach **at least one photo showing your mailed physical QSL card**.

If your confirmation email meets the above requirements, we will send you our QSL card even if your physical card does not reach us.

Please note that email confirmation is only an additional method to confirm the mailing of a physical QSL card. **Email-only QSL requests will not be accepted.**

We appreciate your understanding for any inconvenience caused.
